SpilMax® Spill Response Products

SPILL CONTROL

SpilMax Chemical Spill Kits

Portable spill control for areas where hazardous liquids are stored or used. The polypropylene absorbents pick up water, fuels, oils, chemicals, acids, alkalis and caustics. Workplace kits include zeolite floor sweep.

VEHICLE KIT
50 L bag

WORKPLACE KITS
140 L and 240 L bins

FLOOR SWEEP
15 L zeolite in workplace kits

THE RANGE

Code	Kit	Size (L)	Container	Refill
