240L Chemical Essential Workplace Spill Kit

SpilMax® Chemical Workplace Spill Kits serve as portable spill control stations, ideal for areas where hazardous liquids are stored or used. Housed in a wheelie bin for easy transport, the kit includes polypropylene absorbents that pick up water, fuels, oils, chemicals, acids, alkalis, and caustics. Also includes SpilMax® Zeolite Floor Sweep for rapid absorption of hazardous liquids on contact. Spill kit instructions are on the outside of the bag for easy reference.

Product	Code	Qty
