

2 DRUM SPILL PALLET

Handles Heavy Loads While Staying Flexible

SpilMax[®] 2 Drum Spill Pallet is made from tough LLDPE, offering excellent resistance to corrosion, acids, and alkalis. It's forkliftable, stackable for space-saving, and features a removable grating for easy cleanup. Unlike other materials, it doesn't strain harden as it cools, helping to prevent cracking and ensuring long-term durability in industrial environments.
